# 18<sup>th</sup> East-West **Immunogenetics** Conference

BRIDGING IDEAS, BUILDING THE FUTURE

**Dear Colleagues and Friends,**

It is my honor to invite you to participate the **18<sup>th</sup> EWIC, EAST-WEST IMMUNOGENETICS CONFERENCE EWIC 2026**, this time organized in Zagreb.

Participants in this Conference will have a unique opportunity to meet with colleagues and exchange ideas. There will be ample opportunities to discuss state-of-the-art approaches and consult with the experts in both informal discussions as well as formal panel sessions. An international audience of researchers and clinicians will be given by renowned professionals.

This Conference will include presentations and discussions on the latest developments in:

- **Organ Transplantation**
- **Hematopoietic Stem Cell Transplantation**
- **Disease Association Studies**
- **Population Genetics**
- **New Technologies**

We hope that you will join us in our efforts to deliver the mission of the **18<sup>th</sup> IMMUNOGENETICS CONFERENCE** by becoming a **Sponsor and Exhibitor**.

We believe that this Conference provides a great opportunity for industry to present their products and technologies to the leading professionals in the field.

We are looking forward to making “EWIC 2026” a successful and valuable event with your highly appreciated contribution.

Sincerely yours

On behalf of the Local Organizing Committee
